15 SERVICES

15.1 The Services that we provide are only available to UK residents, partnerships formed under UK Law or bodies incorporated in the UK that may include corporate bodies, charitable foundations and trusts. At our discretion, and in line with our regulatory permissions, we may accept non-UK residents who approach us as a potential client, providing we are able to satisfy certain requirements to confirm the status, identity and other relevant information of such clients.

15.2 We can provide You with a number of different Services, including:

- **Simplified advice:** This Service is used to identify what investment parameters are suitable for you. We will ask You questions to understand your investment needs and objectives. We will then recommend which, if any, Products meet those needs. This Service will only consider the range of Products that we offer and it will not consider any other products or services that may be available for other providers which may be more suitable for you.
- **Discretionary Management Service:** We build and use our expertise to fully manage each Product according to the Portfolio objectives. This means that we monitor the performance of each Product using our discretion to adjust and balance the investments to ensure that the Portfolio remains suitable for You.
- **ISA Discretionary Management Service:** You may invest up to the maximum amount allowable in any tax year (see <https://www.gov.uk/individual-savings-accounts>) in a Moneyfarm Stocks and Shares ISA, sheltering future returns from capital gains tax. Moneyfarm will build and manage the Product selected to ensure it remains in line with your investment and risk objectives using our Discretionary Management Service (so the requirements set out in these Terms and Conditions which apply to our Discretionary Management Service also apply to our ISA Discretionary Management Service). There are, however, additional terms which apply to clients to whom we provide this service, and these are set out in Appendix 2. currently
- **JISA Discretionary Management Service:** You may invest up to the maximum amount allowable in any tax year in a Moneyfarm Stocks and Shares JISA, sheltering future returns from capital gains tax. Moneyfarm will build and manage the Product selected to ensure it remains in line with your investment and risk objectives using our Discretionary Management Service (so the requirements set out in these Terms and Conditions which apply to our Discretionary Management Service also apply to our JISA Discretionary Management Service). The additional terms applicable to JISA are set out in Appendix 3.

- **Self-Invested Pension Plan (SIPP) Management Services:** A SIPP is a personal pension scheme that helps You accumulate a sum of money to provide You with an income throughout your retirement. The scheme is administered by Embark Services Limited. Please read our [Key Facts Sheet](#) on our website as well as the SIPP Terms & Conditions set out in Appendix 4 before You invest in a SIPP.
- **SIPP Discretionary Management Service:** Moneyfarm will build and manage the Portfolios to ensure they remain in line with your investment and risk objectives using our Discretionary Management Service (so the rights and obligations set out in these Terms and Conditions which apply to our Discretionary Management Service also apply to our SIPP Discretionary Management Service). The additional terms which apply to clients to whom we provide this service are set out in Appendix 4

16 DISCRETIONARY MANAGEMENT SERVICE

16.1 Our principal Service is the Discretionary Management Service where your individual Products are managed in accordance with your requirements and the parameters we agree with you, as set out in your Portfolios. We will recommend investments for your Products in accordance with the information in your Portfolios.

16.2 You grant us full authority, at our sole discretion, to enter into any kind of arrangement or transaction on your behalf including investing in any type of investments or other assets. There will be no limit on the amount of each Product that we may invest in any one investment, or on the proportion of each Product that any one investment may make up, and there will be no limit or restriction on any particular type of investment, or currency, or on the markets on which transactions are carried out.

16.3 You can choose the management style and investment focus for each of your portfolios.

16.3.1 Management style defines the approach we follow for managing the investments in your portfolio. You can choose between:

- (a) **Actively Managed:** we will typically adjust the asset allocation of your portfolio a number of times throughout a year; or
- (b) **Fixed Allocation:** we will passively manage and adjust the asset allocation of your portfolio only once a year. The exception being for any rebalances required to address portfolio allocation drift away from our models.

In all cases, these adjustments will take place without seeking your consent to do so.

16.3.2 Investment focus defines the criteria we use for selecting the investments in your portfolio. You can choose between:

- (a) **Regular asset mix (also known as a Classic Portfolio):** a portfolio comprised of a globally diversified regular mix of assets. Funds in the portfolio are not screened against ESG criteria; or
- (b) **Socially responsible (also known as an ESG Portfolio):** a portfolio comprised of a globally diversified mix of assets that prioritises environmental, social and governance factors. Funds in the portfolio are screened against ESG criteria using both external data from MSCI and internal ETF issuers benchmarking methodology; or
- (c) **Liquidity+:** a portfolio comprised of short-term, lower-risk debt securities such as government bonds, commercial paper, and certificates of deposit. Funds in the portfolio are not screened

against ESG criteria. Although our Liquidity+ portfolio is an investment focus it may be positioned alongside our management styles in our user journeys for the sake of user convenience.

- 16.3.3 All managed portfolios are managed in accordance with an internal risk management framework that governs the acceptable asset class, long term volatility and tail risk exposures for a Product. They are monitored against these constraints daily. The investment team may hold assets outside of these ranges, subject to market conditions. We have a core investment and asset allocation process. We regularly monitor our clients' Portfolios to ensure they behave within an acceptable range of returns, and reference Moneyfarm performance against comparative benchmarks. The performance of a client's Portfolio can differ from the average return for a chosen risk level due to the size of a clients Portfolio, movement of cash in or out and clients changing their risk level.
- 16.3.4 All managed portfolios are monitored against average competitor returns derived from data based on monthly results published by Asset Risk Consultants (ARC), the performance of internally selected peers and/or other appropriate benchmarks based on the investment focus of the respective portfolios. The average returns from discretionary investment managers based on risk profile are computed after fees.
- 16.3.5 Each of your managed portfolios is reviewed on a regular basis, at least annually to ensure that it is still suitable for you, based on your current objectives. We will also automatically rebalance your portfolio on a regular basis without seeking your consent to do so to ensure that it continues to meet your objectives.
- 16.3.6 As with any investment service, we do not guarantee that our Discretionary Management Service will ensure that the investments in your portfolios will perform as you, or we, expect.

17 THEMATIC INVESTMENTS

- 17.1 You can customise your existing portfolio by adding Thematic Investments. To be able to do so, you need to meet the following criteria:
 - 17.1.1 You have an existing ISA or GIA portfolio or are planning to open an ISA or GIA portfolio. This is your **Base** portfolio.
 - 17.1.2 The suitable risk profile of your Core portfolio has to be Balanced, Curious, Adventurous or Fearless to be able to invest in Thematics and create a **Satellite** part of the portfolio. If your risk profile is Prudent or Moderate investing on Thematics is not suitable for you give your lower risk tolerance profile.
 - 17.1.3 You need to invest a **minimum investment** of £10,000 in your ISA or GIA. This part of your portfolio is called Core and will be discretionary managed as explained in point 16.
 - 17.1.4 You can add Thematic Investments when the invested funds in your GIA or ISA Portfolio are a **minimum investment** of £10,000.
 - 17.1.5 If your ISA or GIA does not have a **minimum investment** of £10,000, you can still choose Thematic investments by adding sufficient funds to meet the £10,000 threshold for the **Base** portion of your portfolio and the remaining will be invested in the Thematic Investments or the **Satellite** portion of your portfolio. As the funds could take several days to be received by Moneyfarm, we will wait for the funds to arrive **before trading**. The maximum period we can wait for the funds is 30 days.
 - 17.1.6 Thematic Investments can constitute no more than a limited exposure of your portfolio. This maximum exposure depends on the portfolio risk.. The current limit is set at around 20% for the riskiest portfolios. The

investment Committee and the Asset allocation team revisit this limit on a periodic basis, depending on thematic portfolios risk profile and market conditions.

18 CHOOSING YOUR INVESTMENT PARAMETERS AND OUR SIMPLIFIED ADVICE SERVICE

We will treat You as a Retail Client unless we agree with You otherwise. This categorisation affords You the highest degree of consumer protection under the Regulatory Requirements. However, this does not mean that You will automatically be eligible to bring a claim under any investor compensation schemes or ombudsman service available.

18.1 As a Retail Client, You may have the right to elect to be re-categorised as a Professional Client (referred to as opting up). This right is available to private individual investors and other retail clients. You can only opt-up if certain criteria are met and certain procedures are followed. Professional Clients are given a lesser degree of consumer protection under Regulatory Requirements.

18.2 We will only accept a request to opt-up if we are permitted to do so in accordance with our regulatory obligations.

18.3 We will inform You of any limitations that such a re-categorisation will entail, together with the scope of that re-classification. If You are categorised as a Professional Client, You must keep us informed of any change in your financial circumstances which may affect your categorisation.

18.4 If we notify You that we will treat You as a Professional Client, You may request to be treated as a Retail Client either generally or in relation to one or more particular services or in relation to one or more transaction or product, but that may mean terminating the account You have with us.

18.5 General provisions applying to the simplified advice service:

18.5.1 When you open a Product with us you will choose which Investment Parameters to apply to that Product so that we know how to manage the Product(s) for you. We will provide you with financial advice to help you make this decision. We call this our “Simplified Advice Service”. We will also provide you with our Simplified Advice Service if you want to change your Investment Parameters. We will require you to use the Simplified Advice Service annually to ensure that the Investment Parameters are still suitable for you.

18.5.2 Our Simplified Advice Service is designed to identify which Investment Parameters are suitable for you. We use a streamlined process to do this, which means that we will ask you specific questions to understand your investment needs and objectives in relation to the Product. We will make a recommendation as to which, if any, Investment Parameters meet those needs and objectives. We will not consider your wider financial needs or circumstances or any other investments that you hold outside the Portfolio.

18.5.3 Our Simplified Advice Service is “restricted advice”. This is because we will only consider the range of Investment Parameters that we offer when making a recommendation to you. We will not consider whether any other product or service that may be available from another provider might be suitable, or more suitable, for you.

18.6 Suitability

18.6.1 Where we have agreed to provide You with a Discretionary Management Service we will assess the suitability of any discretionary management decision which we make, to ensure the selected Products remain suitable for you.

18.6.2 This means that we will assess whether investment in the selected Product ;

- (a) meets your investment objectives and risk profile;
- (b) is such that You are able to financially to bear any related investment risk consistent with your investment objectives and risk profile; and,
- (c) is such that You have the necessary knowledge and experience to understand the risks involved with the transaction or with the management of your Portfolios as the case may be).

18.6.3 We will assess suitability primarily by reference to the suitability of the composition of your Portfolios as a whole. This means that your Portfolios may contain a number of different investments with different risk profiles which may have a higher (or lower) risk profile.

18.6.4 So that we can assess the suitability of a Product we will ask You to provide us with information regarding your knowledge and experience of the investments in question, your investment objectives (including the level of risk You are prepared to take) and your financial situation, including your ability and appetite to bear losses. This information will be contained in risk profiling documents that You complete, client records that we hold on You as well as other information that You provide to us.

18.6.5 It is important that the information You provide to us is accurate and up to date. You should inform us immediately of any changes to your circumstances which may be relevant or changes to the information You have provided to us with. Otherwise we are entitled to rely on the information You have given to us.

19 INITIAL AND MINIMUM INVESTMENT

19.1 We require a minimum initial investment to your Account.

19.1.1 **Initial Investment** – minimum £500. Where the minimum investment is not maintained, your Account might be suspended and You might be required to close your Account as soon as is reasonably practicable. (see Condition 10.2.3)

19.1.2 **Additional Investment** – minimum contribution £100.

19.2 For investment amounts between £500 and £5,000 it is sometimes not possible to build a fully balanced Account, depending on market conditions. In this scenario, we will build up the number of investments as You add more money to your account. However, until your Account approaches £5,000 You may find that You have a larger than normal allocation to cash while we wait for more money to buy investments. The investments we buy will always be relevant to your Investor

20 DEALING

20.1 We will normally pool (aggregate) your transactions with those of other clients without seeking agreement from You beforehand. We will only do so where we believe that this is unlikely to disadvantage your overall position, although it may do so in relation to any specific order.

20.2 We will normally be in a position to invest your money on the day, or the day after, it is received by us, subject to there being sufficient cash available in your Account. In the event that investment is delayed beyond that time for reasons beyond our control, we will not be liable to you for any loss of potential market movement.

21 DELEGATION AND REFERRALS

- 21.1 We reserve the right to perform any of our obligations to You through an Associate or any third party of our choosing. We will ensure that all such parties are suitably authorised, qualified and competent to do so.
- 21.2 Where appropriate, we may offer to refer You to third parties to provide certain additional services. We will not make any such referral without your consent. We may also accept referrals of business from third parties.

22 FEES AND CHARGES

- 22.1 Our fees and charges are calculated on the basis and at the rates shown and are payable as set out in the Fees and Charges Schedule at Appendix 1. We reserve the right to change these rates from time to time and will notify You of any such changes in writing 15 days in advance.
- 22.2 We may deduct any amounts payable by You to us from your Portfolios. If the available funds within a particular Product are insufficient, we may sell assets held as part of other Products within your Portfolios to cover such charges.
- 22.3 If You close your Account, we will deduct all charges due up to the date of closure before remitting the remaining funds to you.
- 22.4 We may receive payment from, or share charges with, a third party. We will advise You about such payments or shared charges.

23 STATEMENTS AND REPORTS

- 23.1 We will provide valuation reports to You electronically on a quarterly basis. These reports will include details of all transactions during the relevant period, details of the contents of your Account, the current market value and the basis of valuation, income and interest and fees charged.

24 EXECUTION VENUES AND COUNTERPARTIES

- 24.1 We may deal on any markets or exchanges and with any counterparties that we believe provide the best outcome reasonably available. All transactions will be carried out in accordance with the rules and regulations of the relevant market or exchange, and we may take any steps as may be required or permitted by such rules and regulations and/or by appropriate market practice.

25 CLIENT MONEY

- 25.1 Your money will be kept in a separate account to our money. Any cash held in your Portfolios will be held as client money in an approved bank in accordance with the FCA client money rules. Client money accounts may include money belonging to our other clients.
- 25.2 We will exercise due skill, care and diligence and will periodically review the adequacy and appropriateness of any bank or credit institution where your money is deposited and of the arrangements for holding your money. It is important to note that we are not responsible for any acts, omissions or default of a credit institution or bank chosen by us.
- 25.3 Your money will be pooled in the client money bank account with money belonging to Our other clients. This means that your client money will not be separately identified from that of our other clients. If for whatever reasons the approved bank does not hold enough money in the client money bank account to meet your entitlement and those of

all of Our other clients (for example, because the approved bank becomes insolvent), You and Our other clients would share that loss in proportion to the size of your respective entitlements.

25.4 We may operate client money accounts outside the UK. In the event we do so please note that:

25.4.1 different legal and regulatory provisions will exist outside the UK and the protections may not be equivalent to those available in the UK. In the event that a bank located outside of the UK defaults, fails or otherwise unable to meet its obligations, money held on behalf of clients may be treated differently than if the money was held in the UK;

25.4.2 we will only hold client money in an account outside the UK where the relevant bank has confirmed that all money standing to the credit of the account is held by us as trustee acting on your behalf and that the bank is not entitled to combine or set off the account in respect of any money owed to it on any other account held by us with it, whether in our name or not.

25.5 Client money may be passed by us to a settlement agent in a jurisdiction outside the UK. If the settlement agent defaults, fails or is unable to meet its obligations, client money may be treated differently from the position which would apply if the money was held in the UK.

25.6 We reserve the right to only make external payments to and to accept payments from the bank account stated in your Account.

25.7 We are not obliged to inform You if we change our client bank account, however we will advise You of our amended bank details via our website.

25.8 If you have any cash or investments in your Portfolios , we may "set off" against any amounts you owe us or is due for payment. We will tell you before we do this and only do it if we think it is reasonable, having taken your circumstances into account.

26 CUSTODY ASSETS

26.1 Your Custody Assets will be held subject to the FCA rules and we will act as custodian or arrange for your Custody Assets to be held in custody. This means they will be separate from our own investments and in the event of our insolvency, it will minimise the chance of loss or diminution of those assets.

26.2 You hereby authorise us to register or arrange the registration of Custody Assets with any nominee company or with an entity or in any name permitted by the FCA Rules.

26.3 Where the Custody Assets are subject to the law or market practice outside the United Kingdom and it is in your best interests to do so, we may register or record your Custody Assets in our name or the name of a sub custodian. If held in our name or that of a sub custodian, the Custody Assets may not be segregated or separately identifiable from our assets or those of the sub custodian and, in the event of a default by us or the sub custodian, may not be as well protected from any claims by our or their creditors.

26.4 If we deposit your Custody Assets with a person in a non-EEA state, they will be subject to the law of that state and your rights in relation to those assets may differ accordingly. We will not deposit your Custody Assets with a person in a non-EEA state which does not regulate custody activities unless:

26.4.1 the nature of the financial instrument requires it to be deposited in such a state; or

26.4.2 we receive a prior written instruction from you, in which case the consequences of so doing are entirely at your own risk.

26.5 We will exercise all due skill, care and diligence in the selection, appointment and periodic review of any sub-custodian and the arrangements under which the sub-custodian holds the Custody Assets. Subject to any applicable legal or regulatory requirement we shall not be responsible for the acts or omissions, default or insolvency of any sub-custodian holding Custody Assets which we hold for you. Where your investments are held by a sub custodian, we cannot guarantee that you will not lose any investments if that sub custodian becomes insolvent. However, in order to show that your investments are not available to that entity's creditors, we will take the necessary steps to ensure that their records show that the investments are held for You and that they do not belong to Us or the sub custodian and, in the event that the sub custodian becomes insolvent, We will use reasonable endeavours to recover your investments.

26.6 Where we choose to use an amount of our own money to cover a shortfall (i.e. where we discover we are not holding assets of sufficient value to meet our obligations to You which may happen from time to time, for example due to fluctuations during a working day), we will hold that amount for You in accordance with the FCA's client money rules (*Cover Amount*) until the shortfall is resolved, unless otherwise agreed. Where the relevant shortfall reduces or is otherwise resolved, the Cover Amount (or the portion thereof in excess of the relevant shortfall) shall become immediately due and payable to us. In the event of termination of the Agreement, we will treat payment to You of such money covering a shortfall as fully discharging our obligation to You to return the securities that were the subject of that shortfall.

27 **INSOLVENCY**

27.1 In the event that we go into administration, liquidation or any other insolvency process, our books and records will be sufficient to enable an insolvency official to determine that client assets fall outside of Our insolvency estate. These records also indicate which assets are to be returned to which clients. These assets will be made available to clients as part of the administration process. As the assets belong to clients and are held by Moneyfarm in trust, no other creditor can access or make claim to them.

27.2 If a sub-custodian enters into administration, liquidation or other insolvency process the Custody Assets held by them will be returned to Us, who will deposit those Custody Assets with an alternative custodian.

27.3 However, to the extent that We and/or our sub-custodian or nominee fail to comply with our CASS obligations and an insolvency official is unable to determine that particular client assets fall outside of their respective estates, FSCS protection may be available to eligible claimants.

27.4 Cash held outside a tax wrapper will be returned to your UK Bank Account. Our nominated sub-custodian will contact You within 90 days of the declaration of insolvency about the cash held in a tax wrapper.

Appendix 4

ADDITIONAL TERMS FOR CLIENTS WITH A MONEYFARM PENSION

This section contains additional pension terms and conditions (“**the Additional Pension Terms**”) applicable to your membership of the Moneyfarm Pension (your “**Plan**”). These Additional Pension Terms apply to you if you have applied to become a member of a Moneyfarm Pension. All defined terms in these Additional Pension Terms relate to the Additional Pension Terms only and should not be taken as defined terms in the full scope of this Agreement.

1 LEGAL AGREEMENT

- 1.1 We have entered into an agreement for Embark Services Limited (“**ESL**”) to provide the Moneyfarm Pension on behalf of our clients. ESL is the provider and operator of the Moneyfarm Pension and is a company registered in England, company number 2089815, authorised and regulated by the Financial Conduct Authority (“**FCA**”).
- 1.2 The agreement for your Plan is between you and ESL and it will commence on the date ESL accepts your application for membership.

2 THE SCHEME

- 2.1 The Moneyfarm Pension (“**the Scheme**”) is a registered pension scheme. It is governed by the Trust Deed and Rules, a copy of which is available on our website. ESL is the administrator of the Scheme.
- 2.2 The Trustee of the Scheme is Embark Trustees Limited (“the Trustee”). The Trustee is the owner of the sums and assets held under the Scheme for the benefit of scheme members. The Trustee performs its obligations under the Rules according to the instructions of ESL. However, we will deal with you in accordance with this agreement as ESL's agent.
- 2.3 If ESL accepts your application for membership of the Scheme it will open an individual Plan in your name under the Scheme. In order to join the Scheme you must be a relevant UK individual and resident in the UK, aged 18 years or over and aged under 75 years. You can't apply if you're a US Person.

3 INVESTMENT STRATEGY

- 3.1 Your Plan will be invested on a discretionary basis in accordance with your objectives, as advised by You to Us, subject always to the requirements of:
 - 3.1.1 the agreements between Us and ESL for the provision and operation of the Scheme; and
 - 3.1.2 the Trust Deed and Rules.
- 3.2 ESL will direct the Trustee to open an account with Us to manage the investments in your Plan. By agreeing to these Additional Pension Terms, You authorise ESL to give this instruction on your behalf.
- 3.3 The investments and money in your Plan are held on the Trustee's behalf using the custodian arrangements as described in this Agreement.

4 CONTRIBUTIONS

- 4.1 Contributions described in this section can be made to your Plan, but not if your Plan has been used to commence drawdown pension. Contributions cannot be paid to a beneficiary's Plan.
- 4.2 Contributions can be made to your Plan by you and your employer.
- 4.3 ESL reserves the right to refuse contributions paid by any other method including, but not restricted to, cheque payments.
- 4.4 Fees and expenses continue to be incurred in respect of your Plan whether or not you are contributing.
- 4.5 All contributions must be paid in cash and in sterling.
- 4.6 Tax relief. ESL claims basic rate tax relief from HMRC on the contributions made by you. ESL will apply basic rate tax relief to eligible contributions at the point the contribution is made unless this service ("Pre-funding") is terminated under section 4.10.
- 4.7 You must tell ESL if you are not entitled to tax relief on all or part of the contributions. In the event that contributions over the tax relief limit are paid into your Plan, no tax relief will be available on the excess. Tax relief isn't available for contributions made for individuals age 75 or over and these are generally not permitted to be made.
- 4.8 In the event you exceed the annual allowance under the Finance Act, there is usually a tax charge on you. The annual allowance is the maximum amount of pension savings under UK tax-approved schemes you can accrue each year without incurring the tax charge. You are responsible for notifying the local Inspector of Taxes if the annual allowance is exceeded. The annual allowance is separate from the limits on tax relief which can be claimed on contributions. You should seek financial advice if you are planning to make contributions over the annual allowance.
- 4.9 Without prejudice to section 18, ESL can terminate or suspend the Pre-funding service at any time. If ESL chooses to terminate or suspend the Pre-funding service basic rate tax relief will be applied to all eligible contributions at the point the tax relief is received from HMRC, which is typically within four to eight weeks of the date a contribution is paid.
- 4.10 Refund of excess contributions. If you have paid pension contributions over the tax relief limit, you can request a refund in respect of the excess on the terms permitted by the Finance Act. ESL can agree to refund the lower of the excess contribution and the value of your Plan. HMRC require ESL to repay to it the full amount of the basic rate tax relief that has been claimed on the excess contribution. Any refund to you will be subject to the value of your Plan being sufficient to make the required payment to HMRC
- 4.11 Any request for a refund you make under section 4.10 must be made to us in writing. The Finance Act may prescribe a time limit for making your request.
- 4.12 Any investment loss or growth in respect of refunded contributions is deemed to have occurred outside the Scheme.
- 4.13 Any contributions are paid which result in the annual allowance being exceeded, you cannot avoid the annual allowance charge simply by obtaining a refund of contributions from ESL.

5 TRANSFERS IN

- 5.1 With the agreement of ESL, you can transfer benefits from another registered pension scheme to your Plan. You will not be able to transfer any defined benefits arrangements to your Plan.

- 5.2 Subject to section 8.4, if you became entitled to drawdown pension on the death of a member under another registered pension scheme you can apply to transfer the entitlement into your Plan for the purpose of continuation of drawdown pension. If ESL accepts the application you will be treated as a beneficiary.
- 5.3 You are responsible for ensuring that a transfer of benefits is in your best interests. Neither ESL nor the Trustee provides advice and ESL's acceptance of any transfer is in no way an endorsement of the suitability for you of the transfer.
- 5.4 Transfers-in must be made by cash payment by direct credit and in sterling.

Transfer Declarations

- 5.5 When making a transfer to the Moneyfarm Pension, you are required to make the following declarations to the provider of the transferring scheme ("the current provider") and, where the context requires, to ESL:
- *I authorise and instruct you to transfer funds from the Plan(s) as listed in my online application directly to ESL. Where you have asked me to give you any original policy document(s) in return for the transfer of funds and I am unable to do so, I promise that I will be responsible for any losses and/or expenses which are the result, and which a reasonable person would consider to be the probable result, of any untrue, misleading or inaccurate information deliberately or carelessly given by me, or on my behalf, either in this form or with respect to benefits from the Plan.*
 - *I authorise you to release all necessary information to ESL to enable the transfer of funds to ESL.*
 - *I authorise you to obtain from and release to any financial intermediary named in this application any additional information that may be required to enable the transfer of funds.*
 - *If an employer is paying contributions to any of the Plans as listed in my online application, I authorise you to release to that employer any relevant information in connection with the transfer of funds from the relevant Plan(s).*
 - *Until this application is accepted and complete, ESL's responsibility is limited to the return of the total payment(s) to the current provider(s).*
 - *Where the payment(s) made to ESL represent(s) all of the funds under the Plan(s) listed in my online application, then payment made as requested will mean that I shall no longer be entitled to receive pension or other benefits from the Plan(s) listed.*
 - *Where the payment(s) made to ESL represent(s) part of the funds under the Plan(s) listed in my online application, then payment made as instructed will mean that I shall no longer be entitled to receive pension or other benefits from that part of the Plan(s) represented by the payment(s).*
 - *I promise to accept responsibility in respect of any claims, losses and expenses that ESL and the current provider(s) may incur as a result of any incorrect information provided by me in this application or of any failure on my part to comply with any aspect of this application.*

- *When making a transfer of benefits that have already been designated for the payment of a drawdown pension to the Moneyfarm Pension, you are required to make the following declarations to the provider of the transferring scheme ("the current provider") and, where the context requires, to ESL:*

6 TRANSFERS OUT

- 6.1 You can transfer all or part of your Plan to another registered pension scheme or qualifying recognised overseas pension scheme if the transfer is not an unauthorised payment. A partial transfer of a Plan allocated for a drawdown pension is not permitted. The transfer is made as soon as reasonably practicable.
- 6.2 Transfers out are made by cash payment.
- 6.3 If ESL receives any residual payments relating to your assets after the closure of your Accounts, ESL will make reasonable endeavours to pay these to you, less any appropriate administration expenses, via your previously chosen payment method or pass them to your next pension provider in line with your Instructions if possible.
- 6.4 If the cumulative residual payments to your Account over a period of 6 months are less than £25, ESL will donate this cash to a registered charity selected by ESL. ESL will take steps to ensure that any administration fees are minimised, for example, postponing them until ESL are reasonably satisfied that they have received all sums likely to be received, bearing in mind any external factors such as applicable statutory time limits.

7 TAKING BENEFITS

- 7.1 You can take benefits from the normal minimum pension age under the Finance Act in either or both of the following ways by instructing us to:
- 7.1.1 buy a lifetime annuity from an annuity provider in your name with the balance of all or part of a pension fund (after any pension commencement lump sum as described in section 7.2 below);
- 7.1.2 take drawdown pension with the balance of all or part of a pension fund (after any pension commencement lump sum as described in section 7.2 below) — see section P8.

Each option can be taken with or without a pension commencement lump sum. Normally, the maximum lump sum will be 25% of the value of the part of your Plan being used to provide these benefits. A higher or lower amount might be available if you had transitional rights in respect of benefits earned before 6 April 2006 under schedule 36 of the Finance Act and you meet the conditions under it. Tax will not normally be payable on the lump sum. The lump sum will be paid once cash is available in your designated account.

- 7.2 When you commence taking benefits from your Plan, the value of the part of your Plan being used for benefits must be tested against the Lump Sum Allowance, as set by the Finance Act. When you take the benefits from your pension, you can normally take a quarter (25%) of the value as a tax-free lump sum. In some circumstances, a higher amount may be available. The total of all tax-free lump sums you can take from your pension plans will normally be capped at the Lump Sum Allowance, currently £268,275. If you have a protected tax-free lump sum or previously applied to HM Revenue & Customs for certain protections, you may be entitled to a higher amount. The total of all tax-free lump sums that can be paid from all of your pension plans, including lump sum death benefits, will normally be capped at the Lump Sum and Death Benefit Allowance, currently £1,073,100. If you've previously applied to HM Revenue & Customs for certain protections, you may be entitled to a higher amount. Any benefits taken in excess of these allowances will be taxable as income. ESL will deduct the tax charge from your Plan. You must provide us with the information necessary for ESL to calculate the tax charge. You are responsible for any further tax charges that may arise as a result of that information being incorrect or failing to be provided.

- 7.3 You may be able to take benefits before the normal minimum pension age:
- 7.3.1 if ESL is satisfied that you are in ill health, as defined in the Finance Act;
 - 7.3.2 if you had transitional rights at 6 April 2006 to a protected pension age under Schedule 36 of the Finance Act and you satisfy the conditions; or
 - 7.3.3 as a serious ill health lump sum, if you satisfy the conditions in the Finance Act for a serious ill health lump sum. The tax treatment of a serious ill health lump sum is set by the Finance Act.

7.4 You are responsible for ensuring that there is enough cleared money in the designated account available in good time to pay any benefits you have chosen to take. If there is not enough cleared money in the designated account to pay the benefits ESL will instruct the sale of assets within your Plan under the procedure described in section 12. Depending on how you have chosen to invest your Plan there may be an unavoidable delay in selling the assets, which could delay the benefit payment.

8 DRAWDOWN PENSION

- 8.1 You can draw income from your Plan by allocating your Plan to provide flexi-access drawdown pension, if you are entitled to take benefits under section 7 and ESL accepts your application for drawdown pension.
- 8.2 With flexi-access drawdown pension, you can take any level of income you choose, and you can choose not to take any income at all after having taken your pension commencement lump sum. You can increase or reduce the amount of income being drawn or ask for an extra one-off flexi-access drawdown pension payment. You can choose for it to be paid on a monthly, quarterly, semi-annual or annual basis.
- 8.3 If you wish to change the amount of flexi-access drawdown pension being drawn from your Plan you should instruct us in writing.
- 8.4 With the agreement of ESL you can transfer in benefits previously allocated to pay a capped drawdown pension under another registered pension scheme, but at the point of the transfer you must agree to convert the capped drawdown pension to a flexi-access drawdown pension. Without your agreement under this section 8.4, ESL will not accept the transfer.

9 BENEFITS FOLLOWING MEMBER'S DEATH

- 9.1 On your death ESL will use your remaining pension fund in either or both of the following ways as ESL in its absolute discretion determines:
- 9.1.1 to provide pension income in accordance with section 9.3 for any one or more beneficiaries and, if more than one, in such proportions as it decides; and
 - 9.1.2 to pay one or more lump sum death benefits in accordance with section 9.4.

ESL will write to your personal representatives or potential beneficiaries (as applicable) with details of the ways in which benefits can be provided.

- 9.2 A beneficiary who becomes entitled to a pension under section 9.1 must:
- 9.2.1 use all or part of the pension fund to buy a lifetime annuity in the beneficiary's name; or

9.2.2 apply to take income as drawdown pension (see section 8) from the pension fund. Any application for drawdown pension must be made using ESL's prescribed application form, which includes the beneficiary's acceptance of these Additional Pension Terms. ESL can decline an application if it would, in its opinion, limit or restrict in any way its ability to administer the Scheme.

9.3 If ESL decides to pay one or more lump sum benefits and ESL is satisfied that at the time of your death your benefits are subject to a valid trust, ESL will apply the pension fund allocated for lump sum benefit(s) to the Trustees of that trust. A "valid trust" is one which is separate from the Scheme and under which no beneficial interest in a benefit can be payable to you, your estate or your legal personal representatives. If there is no such trust, the pension fund ESL has decided to apply as lump sum benefit(s) is paid to one or more recipients as ESL decides (from the range of possible "lump sum beneficiaries", as defined in the Rules) and in such proportions as ESL decides.

9.4 The tax treatment of death benefits is set out in the Finance Act. Benefits paid on the death of a member or beneficiary before the age of 75 are normally tax-free. Where required by the Finance Act ESL will deduct any tax due before the payment of benefits.

9.5 You should complete the "expression of wish" information to inform ESL of your wishes for who should receive death benefits and the form of those benefits (lump sum or pension) for when ESL is exercising its discretion. ESL takes your wishes into account but it is not bound by them.

9.6 You can state or amend your wishes at any time. You can state or amend your wishes by notifying us in writing.

10 BENEFITS FOLLOWING BENEFICIARY'S DEATH

10.1 If a beneficiary dies while taking income through drawdown pension, ESL will use the beneficiary's remaining pension fund in either or both of the following ways as ESL in its absolute discretion determines:

10.1.1 to provide pension income in accordance with section 9.3 for any one or more beneficiaries and, if more than one, in such proportions as it decides; and

10.1.2 to pay one or more lump sum death benefits in accordance with section 9.4 for anyone of more beneficiaries and, if more than one, in such proportions as it decides.

11 DESIGNATED ACCOUNT

11.1 ESL will open a bank account for your Plan ("the designated account"). The bank account selected by ESL is opened as a trust account in the name of the Trustee, and is used to pass monies to and from your Portfolio which is set up in accordance with section 3 of these Additional Pension Terms. Once the monies have been received in the Portfolio, they will be transferred for investment purposes to your account with our custodian or a sub-custodian, as described in section 18 of the Terms and Conditions.

11.2 For audit purposes all contributions, transfers and benefit payments will be recorded in the "general ledger" for ESL's operating system as having been credited to or debited from your designated account.

11.3 ESL gives instructions to the Trustee in relation to the operation of the designated account and the Trustee is the only authorised signatory.

11.4 The designated account earns interest at a tiered rate depending on the balance of the account. Any cash held in the designated account will be automatically transferred to your Portfolio with us and invested in accordance with section 3 or, if intended for the payment of benefits under sections 7, 9 or 10, transferred to the intended recipient no later than

the end of the next business day following the day that the cash becomes held in the designated account. Any interest earned will be paid annually to a registered charity selected by ESL and will not be paid to you. If the interest earned by the designated account is less than the interest paid by the bank to ESL across all the accounts ESL has with them, ESL keeps the difference.

- 11.5 ESL does not hold client money. Money which is held in the designated account falls outside the scope of protection provided by the Client Money Rules as set out in the Financial Conduct Authority's Client Assets Sourcebook.
- 11.6 The designated account must not go overdrawn.
- 11.7 ESL operates central clearing client account(s) through which cash amounts pass before or after being allocated to your designated account, as follows:
 - 11.7.1 any amounts to be invested are transferred from the designated account to the central clearing client account up to 5 business days prior to ESL processing your instruction;
 - 11.7.2 the amount of any expenses and costs being paid from your Plan is transferred from the designated account to the central clearing client account up to 5 business days prior to paying the recipient;
 - 11.7.3 the gross amount of any pension income payments is debited from the designated account up to 5 business days prior to the payment date and transferred to the central clearing client account;
 - 11.7.4 any tax deducted under PAYE from pension income paid to you from the designated account is credited to the central clearing client account pending payment to HMRC.
- 11.8 The central clearing client account(s) are non-interest bearing accounts.

12 INSUFFICIENT FUNDS

- 12.1 If there is not enough cleared money to make any payment due under these Additional Pension Terms ESL instructs us on behalf of the Trustee to make a disinvestment from the Moneyfarm account held within your Plan.
- 12.2 Neither the Trustee nor ESL is responsible for determining which assets should be sold under this section 12 in order to provide sufficient cleared money.
- 12.3 ESL will instruct us to commence the disinvestment process 11 business days before payment is due.
- 12.4 In some circumstances, it is necessary to sell an asset at whatever price is available at the time. This can result in selling assets when the relevant market is depressed. Selling any investment is governed by the terms and conditions of that investment.

13 RESPONSIBILITY AND LIABILITY

- 13.1 ESL and the Trustee are not responsible for selecting or monitoring the performance of investments, or for assessing suitability of investments for you or providing financial or other advice.
- 13.2 You are responsible to us for the fees and charges set out in Fees and Charges Schedule to these Terms and Conditions. Without prejudice to section 13.3, for the duration of the agreement described in section 1.1 (between us and ESL for the operation of the Scheme) neither ESL nor the Trustee will charge you any additional fee for the administration of your Plan.

- 13.3 With the exception of the fees and charges described in section 13.2, you are responsible to ESL and the Trustee for all reasonable fees, costs, claims, expenses, tax charges, levies, liabilities, demands and losses that they suffer or incur in respect of any person who is not part of the Embark group of companies and that is beyond their reasonable control:
- 13.3.1 in performing their duties under your Plan;
 - 13.3.2 in carrying out their lawful duties and responsibilities in relation to you;
 - 13.3.3 in acting on requests or instructions made by you (including in connection with the appointment of any investment firm or service provider) if the requests or instructions are in compliance with law and your Plan;
or
 - 13.3.4 if you carry out or arrange an action in respect of your Plan that is unlawful or contrary to the Scheme or that results in a liability or cost to you, your Plan or the Scheme except in all cases as a direct result of ESL's or the Trustee's wilful neglect, wilful default or fraud. This section 13.3 continues in force after your pension fund(s) have been extinguished or the Scheme has been wound up.
- 13.4 Neither ESL nor the Trustee are responsible for any loss (including loss of profit) in relation to, or reduction in value of any investment:
- 13.4.1 acquired at your request unless such loss or reduction results from fraud, wilful misconduct, negligence or breach of regulatory duty on the part of ESL or the Trustee, or the fraud, wilful misconduct, negligence or breach of regulatory duty of any of their employees or agents;
 - 13.4.2 not acquired or not disposed of in accordance with ESL's or the Trustee's rights under these Additional Pension Terms;
 - 13.4.3 disposed of in accordance with these Additional Pension Terms unless such loss or reduction results from fraud, wilful misconduct, negligence or breach of regulatory duty on the part of ESL or the Trustee, or the fraud, wilful misconduct, negligence or breach of regulatory duty of any of their employees or agents;
 - 13.4.4 which results from any action or omission of any nature whatsoever by any investment firm or by any nominee, banker, custodian or other person providing services to ESL or the Trustee; or
 - 13.4.5 which may arise as a consequence of selling an investment under section 6.
- 13.5 Other than as a direct result of wilful neglect, wilful default or fraud by ESL or the Trustee, neither ESL nor the Trustee accept any liability or obligation for any or all losses, costs, actions, proceedings, claims and demands arising directly or indirectly that are incurred by, or brought or made against ESL or the Trustee:
- 13.5.1 if ESL or the Trustee acted in good faith in accordance with any instruction (relating to benefit options, benefit nominations and investment directions) that reasonably appears to ESL to have been given by you;
 - 13.5.2 as a result of having acted in good faith on the instruction of a legally authorised party acting on your behalf;
 - 13.5.3 as a result of any default or error by you or by your agents or investment firms or your representatives;
 - 13.5.4 as a result of any instruction or investment direction sent by you, or your representatives or agents, or any other third parties who may hold or manage or advise on investments not being received by us;

- 13.5.5 as a result of any investment disposed of or not acquired or not disposed of in accordance with ESL's rights under your Plan;
 - 13.5.6 for the defaults or errors of or any losses whatsoever caused by any third parties, investment firms, providers of execution only dealing facilities, third parties who may manage investments, nominees, custodians, banks or institutions which hold any assets including cash (or are a counterparty to any investment) including, but not limited to, insurance company unit-linked funds, stocks and shares, unit trusts, open-ended investment companies (OEICs) and investment trust companies;
 - 13.5.7 for the default or error of or any losses whatsoever caused by any professional adviser or manager appointed by some or all of you, ESL and the Trustee; and
 - 13.5.8 for any failure or delay in implementing any instruction or investment direction or in performing some or all of ESL's or the Trustee's obligations in respect of the Scheme or your Plan which is caused by circumstances beyond ESL's reasonable control, including but not limited to any one or more of: act of God, earthquake, storm, flood, lightning, fire, explosion or similar natural events; power failure; failure or disruption of a computer system or other equipment, including electronic mail systems and telecommunications;
 - 13.5.9 failure or disruption of any relevant stock exchange, including depositories, settlement systems or markets; strike, lockout, other industrial action or other interference with work;
 - 13.5.10 nationalisation, expropriation, prohibition, intervention, direction or embargo;
 - 13.5.11 imposition by any governmental or quasi- governmental authority of currency restrictions, exchange controls or other charges or restraints affecting your arrangement(s) or the investments and assets allocated to it; inability or delay in obtaining governmental or quasi-governmental approval, consent, permit, licence, authority or allocation;
 - 13.5.12 intervention by an exchange or regulator; act of war (declared or undeclared), terrorism, insurrection, revolution, civil disturbance, riot, blockade or other disturbance. It is expressly agreed by that possible difficulties which may be encountered by ESL or the Trustee with respect to its ability to perform its obligations under this Agreement following the withdrawal of the United Kingdom from the European Union following the initiation of the withdrawal procedure under Article 50 of the Lisbon Treaty, shall not be deemed to be circumstances beyond ESL's reasonable control.
- 13.6 If such an event occurs and the failure or delay by ESL or the Trustee is material, ESL, to the extent reasonably practicable, will give you prompt notice of that event unless you might reasonably be expected to be aware of the circumstances. ESL then also gives you reasonable particulars of it and, insofar as known, the probable extent to which ESL and/or the Trustee are unable to perform, or be delayed in performing, the relevant obligations.
- 13.7 Other than as a direct result of wilful neglect or wilful default or fraud by ESL or the Trustee, neither ESL nor the Trustee accept any liability or obligation for unauthorised payment tax charges, taxable property charges, scheme sanction charges, tax surcharges, income or capital gains tax, or any other tax or levy.

14 TAXATION AND LEVIES

- 14.1 ESL deducts from payments made under your Plan any tax or levy that ESL or the Trustee are required or entitled to deduct in accordance with law or HMRC requirements. Any income payments you receive from your Plan are taxed under the pay as you earn system. ESL and the Trustee are not liable for any loss that you incur as a result of the use of an incorrect tax code. ESL may also deduct any taxation or levy for which ESL or the Trustee might be accountable in

accordance with law or HMRC requirements until ESL's or the Trustee's liability has settled – any remaining amount of the deduction from the proposed payment is made by ESL on settlement of the liability.

- 14.2 ESL deducts from each pension fund any tax (including scheme sanction charge) or levy imposed on ESL or the Trustee that relates to the relevant Plan. If a tax or levy is imposed on ESL or the Trustee in respect of the Scheme as a whole, ESL allocates such proportion of the tax or levy to your Plan as it considers reasonable.

15 FINANCIAL SERVICES COMPENSATION SCHEME

- 15.1 ESL is covered by the Financial Services Compensation Scheme (FSCS). This is a scheme that provides limited compensation for clients who might otherwise lose out if a company regulated in the UK by the Financial Conduct Authority is unable to pay claims against it. If ESL is unable to meet its obligations to you then you may be eligible to make a claim for compensation under the FSCS. If a provider of an underlying investment or bank account is unable to meet its obligations to ESL, then you or ESL on your behalf may be eligible to make a claim for compensation under the FSCS. The maximum amount that can be claimed will depend on the investment type. FSCS contact details are:

- 17.2 Your information includes any details which ESL holds about you and includes information received from third parties. ESL uses your information for the purpose of establishing, processing and administering the Scheme and discloses your information to the Trustee. You accept that even if the application to join the Scheme does not proceed, your information can be stored for regulatory, statutory or audit purposes.
- 17.3 ESL does not disclose your information to anyone other than us and the Trustee unless:

- 17.3.1 it is to other members of the Embark group of companies, any of ESL's agents, delegates and advisers and any person anywhere in the world in the proper performance of ESL's obligations in relation to your Plan or the Scheme including under the Finance Act as it affects the Scheme; or
 - 17.3.2 ESL has your permission; or
 - 17.3.3 it is to any person ESL reasonably believes to have been appointed by you as your investment manager or professional adviser; or
 - 17.3.4 ESL is required or permitted to do so by law or any competent authority; or
 - 17.3.5 ESL is transferring your information to its third party service providers, credit reference agencies and fraud prevention agencies; or
 - 17.3.6 ESL has transferred its rights and obligations in relation to your Plan.
- 17.4 ESL can transfer your information to other countries that provide a different level of data protection from the UK. In such circumstances, ESL will put a contract in place to ensure your information is protected. Your information may be accessed by law enforcement agencies and other authorities in that country to prevent and detect crime.
- 17.5 You can request a copy of the information ESL holds about you by writing to us at: clientservicing@hornbuckle.co.uk

18 VARIATION

- 18.1 ESL can change your Plan (including these Additional Pension Terms) for any of the following reasons:
- 18.1.1 to respond proportionately to changes in general law or decisions of the Financial Ombudsman Service or the Pensions Ombudsman or the Financial Services Compensation Scheme;
 - 18.1.2 to respond proportionately to a court order or decision affecting the Scheme or Plan;
 - 18.1.3 to meet regulatory requirements
 - 18.1.4 to reflect new industry guidance and codes of practice which raise standards of consumer protection;
 - 18.1.5 to reflect a change in ESL's corporate structure that doesn't have an unfavourable impact on you but which does require ESL to make certain changes to the terms of the Scheme or Plan;
 - 18.1.6 to respond proportionately to changes in the Bank of England base rate, other specified market rates or indices or tax rates;
 - 18.1.7 to proportionately reflect other legitimate cost increases or reductions associated with providing the Scheme and Plan;
 - 18.1.8 to provide for the introduction of new or improved systems, methods of operation, services or facilities; or
 - 18.1.9 to correct any mistake in the Additional Pension Terms, provided the correction does not reduce any rights that you have as a result of the mistake.

18.2 ESL gives you notice of any change under section 18.1 in advance where practicable, or at the earliest opportunity after the change where advanced notice is not practicable.

18.3 Further, ESL can change your Plan (including the Additional Pension Terms) if ESL has any other valid reason for doing so.

19 TERMINATION

19.1 Your Plan continues until all your pension fund(s) have been extinguished through the payment of a transfer value to another registered pension scheme or the provision of pension or death benefits outside the Scheme. The provisions of sections 13 and 14 continue in full even though all your pension fund(s) have been extinguished.

19.2 By giving you six months' notice in advance, ESL can transfer-out your Plan for any of the following reasons:

19.2.1 if the Scheme becomes too expensive for ESL to operate;

19.2.2 if ESL makes an alternative scheme available that provides similar benefits;

19.2.3 if the registration of the Scheme is removed by HMRC; or

19.2.4 your behaviour, in ESL's reasonable opinion, is abusive, offensive or threatening (in language or action) or is otherwise inappropriate.

19.3 For transfers under section 19.2, ESL makes the transfer to any registered pension scheme you notify to ESL before the end of the six month notice period or, if you do not notify ESL of your chosen scheme, to a scheme that ESL chooses and you authorise ESL to execute any documentation on your behalf necessary to achieve the transfer. Further, ESL transfers the investments and cash held in respect of your Plan net of any liabilities (less the amount required to satisfy all charges due to us and all costs chargeable to your Plan). Investment transactions already initiated by ESL are completed. The Trustee is authorised to continue to operate the designated account to ESL's order and direction for the purposes of receiving money, paying benefits and paying any expenses or fees due to ESL, the Trustee or other parties.

20 CANCELLATION

20.1 You have the right to cancel your SIPP within 30 days from the date we receive the application and a notice will be sent to you explaining this. If you wish to cancel your SIPP you will need to provide the administrators with written confirmation and send this to them before the 30 days have expired.

20.2 If you cancel your SIPP any contributions made will be returned and if there are any funds that have been transferred into your SIPP during this period we will attempt to return these to the provider you have transferred from. We cannot guarantee this will be possible, as not all providers will allow funds to be returned. If the original provider will not accept the funds back we will allow you to transfer out of your SIPP free of our charges if you have cancelled your Membership within 30 days.

20.3 If you have invested any funds within the 30-day cancellation period you may get back less than you originally invested. We cannot be held responsible for any loss.
