13. Before transferring from another provider, consider factors such as losing important benefits, exit penalties, or higher fees. Visit our *Transfer Considerations* page for more details.
14. The deposited amount must remain invested until 28th February 2027. Failure to comply will result in your cashback being declined or withdrawn.

## Cashback Conditions of Payout

15. Only one Cashback per client. Any abuse of these Terms will result in disqualification and potential claims for damages.
16. Only net deposits will be considered (i.e., any withdrawals made during the Offer period will be deducted from the total).
17. Cashback will be credited to your account by 28th June 2025. However, delays may occur, and Moneyfarm is not liable for any direct or indirect losses resulting from such delays.
18. Eligible clients will be notified via email by 28th March 2025. If you believe you are entitled to Cashback but have not received confirmation, please contact us by 15th April 2025.
19. Cashback will be credited to the "available cash" section of your Moneyfarm account and can be withdrawn or reinvested. However, the total amount deposited must remain invested until 28th February 2027. Otherwise, Moneyfarm may reclaim the Cashback by deducting it from any withdrawal requests within the two-year period.

20. This Offer does not represent a commitment for further payments.
21. Moneyfarm reserves the right to decline account openings at its discretion, without providing reasons.
22. Clients eligible for the Cashback cannot claim other rebates from Moneyfarm, with the exception of the referral programme, which can be combined with this Offer.
23. This Offer is for personal, non-commercial use only.
24. For any queries regarding the Offer, please contact Moneyfarm.
